To Whom It May Concern:

This letter is in reference to our Building Maintenance Company, Unique Building Maintenance, Inc., and Hanah Yoo, their Vice President.

I am the Campus President for Everest Institute, Norcross, GA, a part of Corinthian Colleges.

Hanah and her company handle all aspects of our building maintenance people as well as any maintenance as it applies to our school.

I have found Hanah to be very responsive to our needs at all times. Her company is always there to serve our needs at the drop of a hat. She was instrumental in assisting us with our Grand Re-Opening last fall, which helped make it a huge success.

Their customer service is exceptional. I would highly recommend Unique Building Maintenance, Inc. Should you wish to speak to me directly, I would be happy to do so.

Thank you.

Sincerely,

David Palmer

Campus President
